

Outdoor Living

A beautifully maintained garden with putting green and boardwalk leads you to your own private entrance and onto a large covered deck that's furnished with an outdoor lounge, dining area, kitchen with stainless steel hooded BBQ and Weber.

After a hot summer's day at the beach curl up on the outdoor lounge with a glass of the local wine and admire the beautiful 100 year old Moonah tree that's the main feature in the garden or relax in the outdoor spa that comes complete with an open air shower and sundeck to fully enjoy some alfresco living.
